STATE OF TEXAS

CITY OF MULESHOE

TAX ABATEMENT GUIDELINES AND CRITERIA

City of Muleshoe (the “City”) is committed to the promotion of quality development in all parts of the City and to improving the quality of life for its citizens. In order to help meet these goals, the City will consider providing Tax Abatements (as defined below) to stimulate economic development. It is the policy of the City that such an incentive will be provided in accord with the guidelines and criteria outlined in this document. All applicants for Tax Abatements shall be considered on an individual basis.

In order to be eligible for designation as a Reinvestment Zone and receive Tax Abatement, and unless otherwise approved by the City, the planned improvement:

1. must be an Eligible Facility (as defined below);
2. must add at least Two Hundred Fifty Thousand Dollars (\$250,000.00) to the tax roll of eligible property;
3. must be reasonably expected to have an increase in positive net economic benefit to the City of at least Five Hundred Thousand Dollars (\$500,000.00) over the life of the Agreement, computed to include (but not be limited to) new sustaining payroll and/or capital improvement; and
4. must not be expected to solely or primarily have the effect of transferring employment from one part of City of Muleshoe to another.

In addition to the criteria set forth above, the City reserves the right to negotiate a Tax Abatement Agreement (as defined below) in order to compete favorably with other communities.

Only that increase in the fair market value of the property that is a direct result of the development, redevelopment, or improvement specified in a Tax Abatement Agreement will be eligible for Abatement and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the applicant located within the jurisdiction creating the reinvestment zone.

All Tax Abatement Agreements will remain in effect no longer than allowed by law.

It is the goal of the City to grant Tax Abatements on the same terms and conditions as the other taxing units having jurisdiction of the property. However, nothing herein shall limit the discretion of the City to consider, adopt, modify, or decline any Tax Abatement request.

This policy is effective as of the date of adoption, and shall at all times be kept current with regard to the needs of the City and reflective of the official views of the City, and shall be reviewed every two (2) years.

The adoption of these guidelines and criteria by the City Council does not:

1. limit the discretion of the governing body to decide whether to enter into a specific Tax Abatement Agreement;
2. limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or request for Tax Abatement; or
3. create any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for Tax Abatement.
